

DIPLOMA CTDX 100

REP - Rede dos Emissores Portugueses is sponsoring the **CT DX 100 Award**, which is available to all radio amateurs and short wave listeners (SWL) around the world, who submit proof of having contacted / heard at least 100 different countries. Contacts will be considered valid according to the DXCC (ARRL DX Century Club) rules, from 15th of November 1945 and after.

The award will be issued in different modes and band categories as follows:

Modes: PHONE, CW, MIXED, RTTY, SSTV or SATELLITE
Bands: All-Bands - 10, 12, 15, 17, 20, 30, 40 or 80 meters
Single-Band - 6, 10, 40, 80, 160 meters and Satellite

5 Bands CTDX100: Those who have contacted / heard a minimum of 100 countries in all the 5 bands (10, 15, 20, 40, and 80 meters), can apply for this award.

Honour Roll: On this Honour Roll will be automatically included all the radio amateurs / short wave listeners, that had made proof of having contacted / heard 300 different countries. A Special Stamp will be issued for this achievement and a list of all members will be periodically published on the REP Magazine.

Applications: A normal log must be issued and QSL cards are required, but those can be substituted by a photocopy of an approved ARRL DXCC award list. Application forms are available from REP if you ask for them and include one IRC and one SAE.

Fees: The Diploma will be cost 10 Euros or US \$12,00.

Plus the necessary amount to cover the registered postal charges for the return of the QSL cards.

Endorsement Stamps: The basic Award will be issued for 100 countries. Endorsement Stamps will be issued for each 25 additional countries until 300. After this number the endorsement Stamps will be issued for each 5 additional countries.

Endorsements: Self addressed stamped envelope (SASE)
or US \$4.00
or 3 euros
